

## Corrigenda and Errata

Our goal is to make *Chebacco* as accurate a source of historical information as possible. Accordingly, we try to correct any errors we discover or that are brought to our attention, and we welcome all comments from our readers. We regret any errors that do appear and appreciate the readers who point them out to us.

In *Chebacco* XVII (2016), on page 21, in the article titled “An Island Landscape Gardening Culture,” we should have given the name of the owner of the Stonehurst estate as Robert Treat Paine, not Robert Trent Paine.

In *Chebacco* VII (2005), on page 30, in the article titled “Charles Eliot, Landscape Architect: A Life Revived,” the woman pictured with young Samuel and Charles Eliot is probably Ellen Derby Peabody Eliot (Charles William Eliot’s first wife) rather than Mary Yale Pitkin Eliot (the younger Charles Eliot’s wife), as stated in the caption.
